All that glitters

This month it's a heads up to the golden look, the perfect way to compensate for a fading summer tan. And here's the science – the pure gold contains unique surfaces which reflect light in all dimensions, so wear gold dust and shower yourself in radiance and illumination. Go on, be a gold digger, brighten yourself up with products that are captivating, radiant and dazzling.

Words: Susie Perry

Estée Lauder - Double Wear Stay-in-Place Shadow Stick £12

Part of a new range of super-long wear, stay-in-place eye shadows, in a portable stick applicator design. Choose 'Golden Pearl' for subtle gold colouring for subtle day wear. Fade free for up to 12 hours. Contains shea butter for skin nourishing luxury.

Pout - Golden Angel Sparkle Dust £14

Formulated from pure pearl pigment, Pout's shimmer dust is a must-have for every princess. Effortlessly sprinkle yourself gorgeous with this subtle body glitter. Apply Angel Dust to cheekbone, browbone or cleavage for a cheeky shimmer.

Darphin - Ultra Sheer Lip Gloss £15

With 'good for you' extracts of rosemary and soy combined with lip plumping wheat protein micro-spheres, this lip gloss does more than just add sparkle to your pout. Choose 'Corail' which gives a neutral gloss effect with gentle golden sparkles, perfect for glittering up your own favourite lipstick.

Guerlain - L'OR Radiance Gel with Pure Gold £37

Real 24-carat gold flakes give this ultra moisturising make-up base its divine illumination properties. Additional ultra-branching polymers form a protective and tightening mesh on the skin's surface smoothing away fine lines. A perfect natural radiant glow.

Dior - Style Liner 24K Gold £18

This is true Hollywood. A delicate liquid brush application gives you an incredibly striking and stunning metallic mirror-like gleam. It's a liquid brush on application for precision eye lining and this is hot off the press as it doesn't hit the stores till 5 November.

Clinique - Touch Tint for Eyes £12

A combination of pigments, plant extracts and silicone polymers gives a smooth application and non crease effect. Choose 'Gold Glimmer' for a creative eye liner and beautiful long lasting shimmer.
