1 Clinique Aromatics Elixir Perfume Atomizer

This limited edition Christmas product with beautiful flower embossed glass bottle and hand pump delivery is a timeless classic. The whole look just makes you think of black and white movies and pure elegance. Contains evocative and intriguing scents of rose essence, jasmine and patchouli. £65.

2 Clarins Precious Colours

They're smooth, cool and a touch art deco. For eyes it's the 'very this season' purple Amethyst Compact which hides away four evening eye shades including smoky damson, silver, bronze and warm gold. Ruby for lips and Topaz for powder completes this face trio. £25 each.

3 Dior Jewelled Necklace for the Lips

Dior Christmas sparkle at its most elegant.

I love this beautiful sphere compact containing a mirror and a solid lip gloss available in two shades 'pink gem' or 'jeweled bronze'. Pamper your pout with sophistication. £54.

4 Mama Mio Smoothie Spa-at-Home Kit

Perfect Christmas gift for any mum-to-be. Mama Mio products contain only natural ingredients with good quality essential oils. This home spa skin nourishing experience helps smooth and protect skin from stretch marks. Contains three products: Moisturising Shower Cream for gentle all over cleansing, Supersmooth Body Buff for exfoliation and moisturising O-Mega Body Oil. £46.

5 Benefit Do It Daily

I love this moisturiser; it contains an SPF10 and the main skin nourishing nutrients vitamins A, C, E and aloe vera. You also benefit from sodium hyaluronate to help lock in moisture and replenish skin cells. All this at a super affordable price of £17.50.

6 Elemis Day and Night Spa Indulgence

This presentation box contains six Elemis high performance skincare products. Skin nourishing milk bath, island flower body balm, frangipani mono moisture melt oil, pro-collagen oxygenating night cream, lime & ginger salt glow and cream moisturizing mask. Perfect gift for someone who needs spa-style pampering. £65.
